Call Back to Order-Possible Action re Water Court: No action, will more than likely file an objection on behalf of the Districts but not at this time.

Public Comment: Ray summarized some water court information. Tim Orr has authored a letter with some information for well holders. Public informed you don't have to have an attorney to file objections but if not worded correctly the court will throw it out. Some discussion regarding the fact that the federal and state bill are not the same which raises issues. If you didn't get a letter but thought you should contact DNRC.

Adjourn: Boone Cole moved, Tracy Gardner seconded, meeting adjourned at 2:13 PM.
